REFERENCE:-

There are 3 Assistant Prohibition Officers and 11 Prohibition Sub-Inspectors employed on border patrol work in Anantapur, Bellary and Kurnool Districts. They have no buildings for doing office and station house work. It was thought at first that these officers should not have separate offices as they should be constantly on the move. Now it is brought to the notice of the Board that experience has shown that though these officers should be constantly on the move they should have offices to keep contrabands and accused, till they are taken to range or Police station houses as well as to keep their own records and hold enquiries into the cases. It is also reported that they should also have a common place to meet and concert measures for raids, etc. In the case of the 3 Assistant Prohibition Officers and 4 Prohibition

P.T.O.

Sub-Inspectors, it is considered that no separate station houses are necessary as they are either at District or Range Headquarters. But in the case of the 7 Sub-Inspectors noted in the margin*, it is considered that they should have separate station houses for purposes mentioned above, as they are not working either at District or Range Headquarters. The Board therefore requests that the Government may be pleased to accord sanction to rent buildings for the location of the offices for the 7 Sub-Inspectors employed on border patrol work, in Anantapur and Bellary Districts on a rent not exceeding Rs.20/- each per mensem.
